our world's cultural circles are permeated by the philosophical influences of
 existentialism and phenomenology two contemporary quests to elucidate rationality took
 their inspirations from Kierkegaard's existentialism plumbing the subterranean source of
 subjective experience and Husserl's phenomenology focusing on the constitutive aspect
 of rationality yet both contrary directions mingled readily in common vindication of full
 reality in the inquisitive minds Scheler Heidegger Sartre Stein Merleau-Ponty et al a fruitful
 cross-pollination of insights ideas approaches fused in one powerful wave disseminating
 throughout all domains of thought existentialist rejection of ratiocination and speculation
 together with Husserl's shift to the genesis of rapproches philosophy and literature Wahl
 Marcel Berdyaev Wojtyła Tischner etc while the foundational underpinnings of language

a companion to phenomenology and existentialism is a complete guide to two of the
 dominant movements of philosophy in the twentieth century written by a team of leading
 scholars including Dagfinn Føllesdal J. N. Mohanty Robert Solomon Jean-Luc Marion

highlights the area of overlap between the two movements features longer essays discussing each of the main schools of thought shorter essays introducing prominent themes and problem oriented chapters organised topically around concepts such as temporality intentionality death and nihilism features essays on unusual subjects such as medicine the emotions artificial intelligence and environmental philosophy

mario vargas llosa's intellectual transformations from socialism to pragmatism and liberalism are reflected in his political and historical fiction from sartrean anti authoritarianism in la ciudad y los perros to an increasingly liberal world view in cinco esquinas el héroe discreto or travesuras de la niña mala this monograph documents the peruvian nobel prize winner's philosophical and literary journey

abstracts of journal articles books essays exhibition catalogs dissertations and exhibition reviews the scope of artbibliographies modern extends from artists and movements beginning with impressionism in the late 19th century up to the most recent works and trends in the late 20th century photography is covered from its invention in 1839 to the present a particular emphasis is placed upon adding new and lesser known artists and on the coverage of foreign language literature approximately 13 000 new entries are added each year published with title loma from 1969 1971

le présent ouvrage apporte une contribution à la pratique plastique de l'art de la performance qui pourrait se définir comme un art travaillant les normes de la représentation À partir de cette pratique il s'agira d'imposer dans le champ de l'art une figure travestie et dansante interrogeant les normes du genre et du désir

this multi disciplinary study of three contemporary french poets yves Bonnefoy Jean Tardieu and Henri Michaux originally re-examines the question of interarts relations in twentieth century french studies adelia williams focuses on three poets who have devoted a central portion of their oeuvre to the plastic arts showing the complexity with which they have formulated a poetic vision informed by profound reflection on the visual arts by successfully combining modern and post modern thought with literary theory cultural criticism and art history this book is an important contribution to interdisciplinary explorations of the roots of modernism
